Valued Customers & Partners,

Tompkins Industries, Inc. is committed to serving you, our valued partners by following the various federal and state government orders and directives recently put in place to limit/prevent the spread of COVID-19. As a part of these various Stay at Home or Shelter in Place orders, businesses classified as Essential Business remain operating and as a supplier of critical products, Tompkins Industries is classified as such and is exempt from these orders.

Tompkins Industries executive team is working alongside our managers to identify ways to keep our people safe while maintaining productivity to meet our customers' demands. Following the guidance of CDC, WHO, local, state and federal government, we work in a way that helps protect our employees and you our customers.

Tompkins will continue to deliver, ship, and maintain our service levels as we deal with this challenging climate. We will update you of any changes as they occur. As always, please contact our Customer Service staff at 800-255-1008.

Sincerely,

Tompkins Industries, Inc.
