Important Update: Brass Product Pricing Adjustment

Brass Tariffs Impacting Prices Starting September 15

Due to recent increases in tariffs on brass materials, Tompkins Industries, Inc. will be implementing a 25% price increase on all brass adapters, effective Monday, September 15, 2025.

We value your business and appreciate your understanding as we navigate these challenges together. Our team is committed to continuing to provide you with the highest quality hydraulic products and reliable service.

If you have questions or would like to place orders ahead of the adjustment, please contact us.

Sincerely,

Tompkins Industries, Inc.
